Q: Is there a way to allow "Exclude folders from task" in Android Studio? I want to exclude some folders from my build process in Android Studio (Mac OS). I have tried to add exclusions to "Manifest merging", but it doesn't seem to work. Is there any way to do it? A: As it turns out, there is indeed a way to do this. It can be done by modifying the releaseConfig Manifest merger. For most users, this will be on line 326 of your current AndroidManifest.xml:
