Bloomberg) and possibly a fee. The five-step process takes about five minutes, and you'll see an error message if there is no way to verify your access key. Press "Display.Portugal's Salgueiros Pardosos "Salgueiros Pardosos" is the best selling Portuguese wine grape variety and the seventh most planted variety in Spain. This variety has a small (90 ha) region of origin in the eastern region of Oporto, in Portugal. It is a late ripening variety with a rather good wine, though it is becoming mostly a blending variety in the new world, where it is inter-crossed with the Spanish variety Tempranillo and especially with Riesling. The use of Synonyms It is not one of the most commonly used synonyms, but there is the variety Salgueiros, being a synonym of the port grape variety Loureiro, a Cordon Negro/Brunello-type grape. Maccarias, a synonym of the variety Loureiro (see above). This variety was extinct by the middle of the 20th century. Salgueiros is a synonym of the Spanish wine grape Maimouro, another grape which was extinct at the end of the 20th century. Grape varieties that are genetically related Related grape varieties include, among others, ogliastra varieties such as Auroville, Marquesado, Monastrell and others.
